V. Reasoned statement under Article 35(2) with regard to novelty, inventive step or industrial applicability; citations and explanations supporting such statement

1. Statement

Novelty (N)	Claims	1-11	YES
	Claims		NO
Inventive step (IS)	Claims	1-11	YES
	Claims		NO
Industrial applicability (IA)	Claims	1-11	YES
	Claims		NO

2. Citations and explanations

Claims 1-11

The inventions described in claims 1-11 appear to be novel and to involve an inventive step over the documents cited in the ISR.

None of the documents cited in the ISR describes the following point: "generating a material group information for showing a material group belonging to a material that includes the identification information for recognizing the relationship between unit information and a material and the type information for showing a type of each material, and recording them onto the information recording medium together with the broadcast information"; nor is this obvious to a person skilled in the art.
